

NOTICE OF EXTENSION – REQUEST FOR INFORMATION (RFI)

Development of Data Centre and Cloud Infrastructure in Sri Lanka

The **Board of Investment of Sri Lanka (BOI)**, in collaboration with the **Ministry of Digital Economy (MoDE)**, informs all interested parties that, **considering the requests received from interested parties and due to disruptions caused by cyclone Ditwah**, the closing date for submission of Responses to the Request for Information (RFI) for the *Development of Data Centre and Cloud Infrastructure in Sri Lanka* has been extended.

The **extended closing date** for submission is **08 February 2026 at 1500 hrs (SL Time)**.

This extension provides additional time for qualified investors, developers, operators, and consortiums to submit complete responses.

RFI documents are available at <https://investsrilanka.com/boi-adverts/>. completed submissions should be made in accordance with the guidelines stated in the RFI.

For further information, please contact **thanujak@boi.lk** or **upekhan@boi.lk**.

Please note that this will be the final extension. Furthermore, this RFI is non-binding and does not constitute a solicitation, offer, or approval of any investment.

All other terms and conditions of the original RFI remain unchanged, except for the revised submission deadline

Issued by: Board of Investment of Sri Lanka and Ministry of Digital Economy Sri Lanka
